

e-harbour midterm conference

We are pleased to invite you to participate in the e-harbour midterm conference 2012. This two-day event will be organized in cooperation with the I-SUP 2012 congress in Bruges, Belgium.

The themes for I-SUP 2012 are Urban Development, Rural Development, Transport & Mobility, Energy, Materials, Chemistry and Product Development.

On Wednesday May 9th the e-harbour project arranges the side-event e-harbour midterm conference with experiences from the e-harbour showcases and an expert panel, [see preliminary programme here](#). On the morning of May 10th all e-harbour showcases are presented.

All e-harbour partners and friends are welcome to this free parallel e-harbour session.

We welcome you to share the e-harbour experience!
